

Riviera Ride

Four wheels move the body - two wheels move the soul.

Our Riviera Ride is a special blend to stir both your body and soul. One day, you will be riding a bright red Ducati on breathtaking roads, the next you will be unwinding with relaxing summer holiday activities. All that under endless, blue skies and pleasant Provence sunshine - suntan for body and soul.

The Ride will take you on the famous Route Napoleon, up the Col de Turini on a special stage of the Rally Monte Carlo and along the magnificent coastal routes of the French Riviera. And, to give this itinerary that *special touch*, our road book includes some hidden routes normally only enjoyed by local bikers.

You will have enough free time to benefit from the sights and delights of the Cote d'Azur. The sandy beaches of Cannes and the tempting offerings of the surrounding area are waiting for you to be explored. To round this trip off, we will take you on a visit to the magnificent Ile St.-Marguerite to experience the natural beauty of this untouched island.

A summer holiday which is equally enjoyable on as well as off your chosen Ducati. To double this pleasure, why not take a passenger with you and discover pleasures' treasures with no half measures. Yes, you Cannes with Columbus International.
